

Collaborate India 2025 – Program Agenda

4th March 2025, Tuesday
The Sheraton Grand at Brigade Gateway, Bengaluru

60min	8.30 am	Registration and Refreshment
10min	9.30 am	Welcome Remarks <i>Poi Toong Tang, Vice President of Sales, Asia Pacific, Teradyne Robotics</i>
10min	9.40 am	Welcome note from Universal Robots India <i>Virupakshappa Hovale, Regional Director, South Asia, Universal Robots</i>
30min	9.50 am	Opening Keynote: Redefining automation with UR next generation cobots and software <i>Eric Andersen, Senior Director Product Management, Cobots, Universal Robots</i>
10min	10.20 am	Session 1: Re-automated: Discovering robotic material handling and welding <i>Ridzwan Mustafah, Technical Manager – APAC, Universal Robots</i>
20min	10.40 am	Session 2: Accelerating the deployment of collaborative robots <i>Anuj Bihani, Founder & CEO, Impaqt Robotics (Diamond Sponsor)</i>
20min	11.00 am	Session 3: Staying ahead with collaborative welding <i>Abhinibesh Kumar, General Manager, India, Lorch (Diamond Sponsor)</i>
30min	11.20 am	Networking Tea Break & Showcase Visit
20min	11.50 am	Session 4: Physical AI for the Next Wave of Industrial Digitalization <i>Sunil Patel, Deep Learning, Data Scientist – IV, Nvidia (Guest speaker)</i>
20min	12.10 pm	Session 5: Collaborative Robotics in the context of Developing Economy <i>J Christopher, Head of Technology & Solutions, Cognitive Robotics, Tata Consultancy Services</i>
15min	12.30 am	Session 6: Empowering Robots with 3D Vision and AI <i>Chinmoy Kolita, Country Manager, India, Mech-Mind Robotics (Platinum Sponsor)</i>
15min	12.45 pm	Session 7: Discover the world's best service solutions with UR Care <i>Sea Chia Hui, Head of Services Sales, APAC, Universal Robots</i>
60min	1.00 pm	Networking Lunch & Showcase Visit

Collaborate India 2025 – Program Agenda

4th March 2025, Tuesday
The Sheraton Grand at Brigade Gateway, Bengaluru

60min	2.00 pm	<p>Panel Discussion: Collaborative Automation: Paving the Way for Industry 5.0 in Asia</p> <p>Moderator: <i>Dr Yeong Che Fai, CEO, DF Automation & Robotics Sdn Bhd</i></p> <p>Panellists: <i>Nidhi Goyal, Executive Vice President, Tata Indian Institute of Skills</i> <i>Dr. S. Deverajan, Senior Vice President, TVS Motor Company</i> <i>Sai Prasad, Chief Technology Officer, IoT & Digital Engineering, Tata Consultancy Services</i> <i>Virupakshappa Hovale, Regional Director, South Asia, Universal Robots</i></p>
15min	3.00 pm	<p>Session 8: Transforming Manufacturing with Future of Automation <i>Sreeram A, Senior Manager - Sales, Country Representative, Siemens Ltd</i></p>
15min	3.15 pm	<p>Session 9: AI 2D/3D VISION SOLUTIONS <i>Sumit Jagdale, Technical Head, Solomon Technology Corporation (Gold Sponsor)</i></p>
15min	3.30 pm	<p>Session 10: Hand in hand for tomorrow, SCHUNK EOAT – Collaborative Automation <i>Ashwin Udayashankar, National Sales Manager, Gripping & Automation Technology, SCHUNK Intec (Gold Sponsor)</i></p>
15min	3.45 pm	<p>Session 11: SMART end-of-arm-tool solutions for robotic applications <i>Hrishikesh Kulkarni, COO, Zimmer Automation (Gold Sponsor)</i></p>
15min	4.00 pm	<p>Session 12: Peppermint Robotics' journey towards collaborative automation <i>Runal Dahiwade, Founder & CEO, Peppermint Robotics (Customer Sharing)</i></p>
15min	4.15 pm	<p>Networking Tea Break & Showcase Visit</p>

Collaborate India 2025 – Program Agenda

4th March 2025, Tuesday
The Sheraton Grand at Brigade Gateway, Bengaluru

15min	4.30 pm	Session 13: Industry 5.0 Transformation: Harnessing the power of AMRs and cobots <i>Sagar S Jadhao, General Manager, DF Automation Solution India (Gold Sponsor)</i>
15min	4.45 pm	Session 14: DH-Robotics - Innovative Integrated Applications of Intelligent Electric Actuators and Robots <i>Ravi Suthar, Manager Business Development - Themis Automation Pvt. Ltd, representing DH-Robotics Technology (Gold Sponsor)</i>
15min	5.00 pm	Session 15: Collaborative Robots Enabled with 3D Vision for Inspection Applications <i>Keith Magic, Global Account Manager, LMI Technologies</i>
15min	5.15 pm	Lucky Draw & Showcase Visit
15min	5.45 pm	Organiser Group Photo
15min	6.00 pm	Event tear-down

Workshops

30min	11.45 am – 12.15 pm	Workshop 1: Unlocking the Future of Automation: Exploring the Power of PolyScope X <i>Nilesh Popat Kekare, Applications & Customer Support Engineer, Universal Robots</i>
30min	12.30 pm – 1.00 pm	Workshop 2: Future of Automation: Transformative Trends in Autonomous Mobile Robots (AMRSs) <i>K Srinath, Vice President - Smart Manufacturing Solutions, Multivista Global, representing MiR</i>
30min	3.00 pm – 3.30 pm	Workshop 3: Transforming Robotics with AI: Discover the Universal Robots AI Accelerator Kit <i>Sam Tan, Regional Applications & Customer Support Engineer, Universal Robots</i>
30min	4.30 pm – 5.00 pm	Workshop 4: Conversations on the latest NVIDIA Robotics <i>Ninad Madhab, Solution Architect, Nvidia</i>
